

JFrame

```
classDiagram
    class JFrame
    class BoardView["server.BoardView"]
    BoardView --|> JFrame
```

The diagram illustrates an inheritance relationship. At the top is a white rectangular box with a thin gray border containing the text 'JFrame'. Below it is a gray rectangular box with a thick black border containing the text 'server.BoardView'. A solid blue arrow points vertically from the top center of the 'server.BoardView' box to the bottom center of the 'JFrame' box, indicating that 'server.BoardView' inherits from 'JFrame'.

server.BoardView
